St. Cecilia, November 22 Patron Saint of Musicians

Although Cecilia is one of the most famous of the Roman martyrs, the familiar stories about her are apparently not founded on authentic material. There

is no trace of honor being paid her in early times. A fragmentary inscription of the late fourth century refers to a church named after her, and her feast was celebrated at least in 545.

According to legend, Cecilia was a young Christian of high rank betrothed to a Roman named Valerian. Through her influence Valerian was converted, and was martyred along with his brother. The legend about Cecilia's death says that after being struck three times on the neck with a sword, she lived for three days, and asked the pope to convert her home into a church.

Since the time of the Renaissance she has usually been portrayed with a viola or a small organ.

Comment:

Like any good Christian, Cecilia sang in her heart, and sometimes with her voice. She has become a symbol of the Church's conviction that good music is an integral part of the liturgy, of greater value to the Church than any other art. In the present confused state of Church music, it may be useful to recall some words of Vatican II (see below).

Quote:

"Liturgical action is given a more noble form when sacred rites are solemnized in song, with the assistance of sacred ministers and the active participation of the people ... Religious singing by the people is to be skillfully fostered, so that in devotions and sacred exercises, as also during liturgical services, the voices of the faithful may ring out" (Vatican II, Constitution on the Liturgy, 112-118).

SCAM ALERT: New Scam Circulating!

It has once again been brought to my attention that parishioners and staff have received email messages pretending to be me. These messages greet the person "Hi, Are you unoccupied?" and include my name, "Father Sebastian," in the from line of the message. This is a well-crafted and targeted attack on the Church across the country which has hit our Archdiocese of New York again. The messages are "spoofed" fakes that should not be responded to or taken seriously by anyone. The best defense against this sort of scam is to raise awareness in the community and DO NOT respond or open any worrying attachments. It is Diocesan policy that no priest or staff within the Diocese request donations in the form of gift cards, PayPal, MoneyGram, etc. I ask that you please DELETE THE EMAIL and call the parish office. Under NO CIRCUMSTANCES should you ever respond to these scams.
